Journal American Association of Nurse Anesthetists Volume XXXIV 1966 Index of Subjects and Authors

A

Abdominal distention during anesthesia (abstract), 458

Aberg, Harriet L.: Hospital Safety, 54, 122, 284, 363

Abstracts, 56, 134, 207, 287, 366, 457

Acid-base balance, 428

Accreditation (abstract), 366

Adrenalectomy, anesthesia for, 48

Adrenaline (abstract), 366

Adriani, John: Iatrogenics and Anesthesia, 439

Advertisements, classified, 62, 141, 213, 293, 372, 463

American Association of Nurse Anesthetists: call to convention, 234; nominees, 278; officers, IFC; program, 226

Anesthesia, changing patterns (abstract), 369; department, 35, 177, 185, 190, 192, 254; for adrenalectomy, 48; for bronchoscopy, 174; for cardiac catheterization (abstract), 137; for carotid artery surgery, 351, 355; for cleft lip and palate, 44; for dentistry (abstract), 209; for handicapped children (abstract), 208; for spina bifida (abstract), 368; for thoracic surgery, 197; hazards of, 326; history of, 95; in hyperbaric atmospheres, 321; insufflation (abstract), 134; intravenous regional (abstract), 291; of larynx (abstract), 59; old and new, 30; recent advances in, 416; significance of arcus senilis, 169

Anesthetics, effect on liver (abstract), 367

Aneurysms, intracranial (abstract), 288

Apnea, prolonged, 333, 397

Aramine. See Metaraminol

Arcus Senilis, significance during anesthesia, 169

B

Baird, Deborah: Sterilization of the Stoppers of Multiple Dose Vials, 270

Benedict, Susan C.: Combined Effects of Premedicating Drugs and Brevital, 449

Bjarnesen, Walter: Recent Advances in Intravenous Anesthesia, 416

Blood gases, effect of premedication (abstract), 459

Book Reviews: Alcoholic Beverages in Clinical Medicine, 211; Anaesthetics, Resuscitation and Intensive Care. A Textbook for Students and Residents, 138; Anaesthetic Techniques, 452; Anesthesia for Open Heart Surgery, 211; Biochemistry: An Introduction to Dynamic Biology, 292; Comprehensive Background for Anesthesiology: A descriptive outline for instructors and residents, 292; Death in the Operating Room, 61; Electronics in Anesthesiology, 60; Emergency Anesthesia, 212; Evolution of Anaesthesia, 138; Experiment in Applied Chemistry, 292; Fundamental Considerations in Anesthesia, 138; Fundamentals of Hyperbaric Medicine, 140; Handbook of Cardiology for Nurses, 364; Historical and Experimental Approaches to Modern Resuscitation, 60; Hyperbaric Oxygenation, 139; Integrated Basic Sciences, 364; International Nursing Index, 212; A Nurse's Guide to Anaesthetics, Resuscitation and Intensive Care, 138; Pharmacology and Patient Care, 139; Pharmacology in Nursing, 140; Principles of Anesthesiology, 364; Regional Block, 606; Yanqui, Come Back! 452

Braun, Esther M.: Anesthesia Management During Carotid Artery Reconstruction, 351

Brevital with premedication, 449

Bronchoscopy, anesthesia for, 174, 274

Burnside, Joyce B.: Measles: A Complicating Factor in Pediatric Anesthesia, 123

C

Calendar of Events, 70, 150, 223, 303, 382, 479

Carbon Dioxide, effect on respiration (abstract), 287; elimination (abstract), 134

Cardiac catheterization (abstract), 137

Carotid artery, surgery of, 351, 355

Cerebrospinal fluid, relation to respiration (abstract), 208

Cesarean section, oxytocin during (abstract), 56

Children, dental care for (abstract), 208; parenteral fluids for, 343

Chloroform, effect on liver (abstract), 134

Classified advertisements, 62, 141, 213, 293, 372, 463

Cleft lip and palate, anesthesia for, 44

Coltellaro, Louise: The Effects on the Electrocardiogram of Metaraminol (Aramine) Administered in the Presence of Halothane (Fluothane) Anesthesia, 119

Compton, Jessie L.: Organization and Function Department of Anesthesia: Chester Clinic and Hospital, 254

Corssen, Gunter: Recent Advances in Intravenous Anesthesia, 416

Costello, Mary A.: Significance of Arcus Senilis Under Anesthesia, 169

Cox, Rosemary: Bilateral Adrenalectomy: A Case Report, 48

Curare, ocular myopathy test with (abstract), 458; sensitivity to (abstract), 458

Cutter, James A.: Muscle Relaxants and Prolonged Apnea: A Review of Causes and Prevention, 397

D

Dentistry, anesthesia for (abstract), 209

Department Management, 35, 177, 185, 190, 192, 254

Dodd, Robert B.: Diethyl Ether, 23

Doxapram during recovery, 335

E

Eden, Laura J.: Amniotic Fluid Embolism, 261

Electrocardiograph, monitoring with (abstract), 457

Embolism (abstract), 58; amniotic fluid, 261

Ether, diethyl, 23

Explosions, in operating room, 266

F

Fluothane. See Halothane

G

Gose, Jane E.: Thoracic Surgery and Respiratory Acidosis, 197

Greisheimer, Esther M.: Alveolar Surface Activity and Hyaline Membrane Disease, 241

G29505, experimental studies of, 416

H

Halogens, status of, 115

Halothane (abstract), 366; effect on liver (abstract), 134, 288, 289; effects of metaraminol with, 119

Hayt, Emanuel: 55, 131, 202, 359, 454

Heart, arrest (abstract), 366; arrest, prevention in (abstract), 56; effect of oxytocin (abstract), 56; monitoring of (abstract), 457

Heinrichs, Andrew: Acid-base Balance and Respiration, 428

History of anesthesia, 95

Hospital Safety, 54, 122, 284, 363

Howard, Betty Ann: Interpersonal Relationships in the Operating Room, 109

Hyaline Membrane disease, 241

Hyperbaric atmospheres, 321

Hypnosis, effect on respiration (abstract), 287

Hypothermia (abstract), 288

I

Iatrogenics, problems in anesthesia, 439

Insurance, 52, 129, 205, 285, 361, 461

Intubation, complications of (abstract), 136

L

Lapos, Bernadette M.: Emergency Surgery with Hexafluorenium (mylaxen), 125

Larkin, Terese: The Effects on the Electrocardiogram of Metaraminol (Aramine) Administered in the Presence of Halothane (Fluothane) Anesthesia, 119

Larynx, anesthesia of (abstract), 59; pathophysiologic aspects of (abstract), 136

Legislation: anesthesiologist and hospital not liable in cardiac arrest case, 360; anesthesiologist not responsible for paralysis of patient, 454; anesthetic not regarded as "foreign object" within application of malpractice limitations statute, 132; evidence was sufficient to show patient under sedation was not protected, 455; hospital held liable for nurse's negligent sponge count, 131; nurses and hospital not liable for patient's death resulting from transfusion, 359; lack of expert testimony results in verdict in favor of anesthesiologist, 202; no damages to nurse called "crazy" by physician, 131; patient's paralysis did not make the anesthesiologist liable, 132; physician's myocardial infarction not result of argument with nurse, 55; staphylococcus infection by nurse held to be occupational disease, 55

Levarterenol, extravasation of (abstract), 287

Levophed. See Levarterenol

Livengood, Nell M.: Anesthesia Department Organization and Management: Crawford W. Long Memorial Hospital of Emory University, 185

Liver, effects of anesthetics on (abstract), 134; effect of halothane (abstract), 288, 367
